FOLEY'S HONEY AND TAR
stops the cough and heals lungs

Rev. Day's Reception

A large gathering of the members of the local Congregational Church and their friends gathered in the Church parlors last Friday week and extended to the new pastor, Rev. W. C. Day and wife a cordial welcome into the work of the church and to our city.

Rev and Mrs. Day have very favorably impressed the good people of Sonoma and the confidence is expressed that the up building of the church will continue and the moral interests of the community greatly strengthened by having Rev. and Mrs. Day and family live and work among us. The following pro[illegible] out, after which refreshments were served.

Millions of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from its use for coughs, colds and lung troubles. This is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by refusing any but the genuine. L. S. Simmons.

Glen E. Murdock Honored

At a meeting in Sacramento Friday of twenty California county treasurers, supplemental to the preliminary meeting held last May, the County Treasurers' Association of California was organized; a constitution and by-laws were adopted, and the following officers elected: President, J. R. Hickman of Fresno; vice-president, M. J. Curtis of Sacramento; Secretary and treasurer, G. E. Murdock of Santa Rosa.

According to the articles of organization, the association will hold meetings every six months, it being the intention to hold the meetings in Sacramento in May and December of each year, when the treasurers are there making their settlements with the state treasurer.

Notice to our Customers

We are pleased to announce that Foley's Honey and Tar for coughs colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. L. S. Simmons.

A Sad Death

Ralph Lee Hiser, the eldest son of Mr. and Mrs. W. J. Hiser, passed away at the home of his parents, Mr. and Mrs. W. J. Hiser below town last Friday evening. The cause of death was cerebro-spinal meningitis. He was only 9 years of age. The bright little fellow attended school on Wednesday and went home feeling ill. A physician was summoned and everything possible done for the little sufferer, but all in vain; the dread disease had secured too firm a foothold.

Mr. and Mrs. Hiser have the sincerest sympathy of all in their hour of sore affliction.

The funeral took place from Bates' undertaking parlors, Sunday morning at 10 o'clock and was largely attended, a goodly number of the deceased's playmates by whom be was held in high esteem being present to pay their last token of respect. Interment was in Mountain Cemetery.

Whenever you feel that your stomach has gone a little wrong, or when you feel that it is not in good order as is evidenced by mean headaches, nervousness, bad breath, and belching, take something at times, and especially after your meals until relief is afforded. There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc, than KODOL This is a scientific preparation of natural digestants combined with vegetable acids and it contains the same juices found in every healthy stomach. KODOL is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by L. S. Simmons.

A man who knocks the town where he is engaged in business is either a damphule or a public nuisance, usually both. There is absolutely no excuse for his hammer act and he should be sat upon.

Money For High Schools

State Superintendent of Public Instruction Edward Hyatt and State Controller A. B. Nye last Saturday apportioned to the various High Schools in California the amounts due them from the State. The distribution comes about six months late. It is made up of money collected during the school year closing June 30, 1907, to meet expenses of that year. It would have been apportioned about July 1, 1907, had it not been for the mandamus proceedings brought by the Board of Education of San Francisco to compel the apportionment of [illegible] money to the city. The writ was denied and such schools are not included. Seven High Schools fell below 20 in average daily attendance, but receive State aid owing to the fact that they have been in existence one year only.

The total number of High Schools entitled to receive State aid June 30, 1906, was 166; total average daily attendance in such schools, 20,430; rate per school on one-third basis, $143.08; rate per child on average daily attendance $4.33; amount apportioned on one-third basis, $28,894.36; amount apportioned on attendance basis $47,601.90; total amount apportioned $71,496.26; balance on hand unapportioned, $189.08. The amount apportioned to Sonoma County was $1,857.10.

Books but No Seeds.

George Breitenbach the harness man, was expecting some government seeds for free distribution but has received from Washington a large supply of pamphlets and booklets giving valuable and reliable information and experiences in horticulture, agriculture, viticulture, poultry raising and allied pursuits.

These booklets are for free distribution to people engaged or interested in any of the occupations of which they treat. Call and select what interests you.

A Peculiar Trouble

A peculiar trouble has been visited upon the Chinamen and others employed to clean beans, a portion of which were spoiled by the October storms. The beans are cleaned by passing in front of the workers over a kind of screen which is kept in constant motion to pass the beans along. It is claimed this constant motion of the machine and the passing of the beans before the eyes has made some people so sick that they had to throw up their job.—Cultivator.

If that is all they had to throw up, it does not seem so bad. We have heard of people who became sea sick and threw up everything they had and entertained fears of losing their hosiery. (ED)

Public Speaker Interrupted

Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. The genuine contains no opiates and is in a yellow package. L. S. Simmons.

They Say

—That it was a battle of the banks rather than of the people.

—That if the banks had not been so long on paper and so short on cash they would not have been so badly alarmed.

—That, as we have observed before, it takes an awful lot of money to move the crops in Wall Street.

—That when Hon. Joseph G. Cannon demanded the defeat of the primary bill in the Illinois legislature he was playing the part of a small politician rather than of a statesman.

—That the people of Illinois should now demand the defeat of the Hon. Joseph G. Cannon as a candidate for the presidency.

—That a country which makes stock gambling its gauge of business is bound to have plenty of trouble.

—That while the high financiers think the currency not elastic enough the country thinks the conscience of the high financiers too elastic.

Just a little CASCASWEET is all that is necessary to give your baby when it is cross and peevish. CASCASWEET contains no opiates nor harmful drugs and is highly recommended by mothers everywhere. Conforms to the National Pure Food Law. Sold by L. S. Simmons.

NOT SOON BUT NOW

Buy a lot in the Loustalet's subdivision to City of Sonoma, within a block of the plaza, on main business street. These lots are most convenient business and residence lots in Sonoma.

As a sure and safe investment there's nothing equal to gilt edge real estate—in a growing city.

As a profitable investment nothing equals real estate in Loustalet's sub-division, for these lots are gilt edge and Sonoma is a growing city.

Make a list of the rich men of the State and you'll find the bulk of their fortunes were made in real property—they bought when property was low and sold when it was high. Pioneers and [illegible]

They were far-sighted—they were careful to buy in locations where trade would naturally go and thus force advance in prices—they bought where public improvements were about to be made, or where the demand for high-class residence property caused a rise in values.

The time to buy is now—to day—while prices are low—at the price made by the original seller.

Don't wait to buy from those who'll buy today—make that profit yourself.

Cash or installment—no interest—no taxes. Investigate now before the lots are all sold. Call or address, THE EXPOSITOR, Sonoma, Calif.

Dr. Pierce Dead

Dr. J. G. Pierce, a pioneer physician of this county, passed away at his home in the Gold Ridge section last Saturday. He was formerly coroner and public administrator of this county and an honest, straightforward man.

PRINTED BY REQUEST

Mix the following by shaking well in a bottle, and take in teaspoonful dose after meals and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at nominal cost from our home druggists.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, overcoming backache, bladder weakness and urinary trouble of all kinds, if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back, clears the urine of sediment and regulates urination, especially at night, curing the worst forms of bladder weakness.

Every man or woman here who feels that the kidneys are not strong or acting in a healthy manner should mix this prescription at home and give it a trial, as it is said to do wonders for many persons.

The Scranton (Pa.) Times was first to print this remarkable prescription, in October, 1906, since when all the leading newspapers of New York, Boston, Philadelpha, Pittsburg and other cities have made many announcements of it to their readers.

Our Standard remedy is growing in popularity every day. J W McNeil, agent for Sonoma Co. *

Happy New Year

The memorable year of 1907 will soon close and another will begin before our next issue.

We take this opportunity of wishing our readers and friends a happy and prosperous new year. May you ever be long on health and cash and short on delinquencies is the wish of the Expositor.

A Chinese Custom

The Chinese as a race have ever been backward in coming forward and are noted for their ancient moss grown ways so old that a mummy might seem a modern novelty in comparison.

But, they have one custom, probably as many thousand years old as the others, which is indeed worthy of all imitation.

It is this: Every Chinaman believes it is his solemn duty, for violation of which he would suffer dire calamity, if he allowed New Years to pass without paying up all of his debts. He strains a point to accomplish this and would not enjoy the holidays if he owed a cent to anyone, Would you? Pretty good custom don't you think?

By the way this reminds us that there are a few delinquent subscribers on our books and we keep open house allday New Years.

Special Christmas Services

The Christmas services at St. Francis' Church last Wednesday morning were greatly enjoyed by a large congregation. Rev. Father Leahy delivered a masterly and appropriate sermon on the occasion. The Sisters of the Presentation Convent School, prepared a most excellent musical program which was well rendered.

Those who assisted in the musical part of the program were: Mrs. L. V. Emparan, the Misses, Mary Valente, Ermenia Maffei, Rosella Graham, Isabel Trudgen, Annie Caminata, Elsie Richards, Sylvia Caminata and Aurelia Perazzo.

Christmas Tree

The M. E. Church was filled with happy folks, young and old, last Monday evening to hear the musical and literary program and witness the distribution of presents from the large and beautifully decorated Christmas tree. Santa Claus, assisted by a corps of willing helpers, distributed presents to all. Every child receiving at least a box of candy. A very happy evening was spent by all present.

Fowler-Goess Nuptials

Miss Hazel Goess, youngest daughter of Mr. and Mrs. Andrew Goess, of this city and a former popular Sonoma girl, was married last Wednesday week, to Mr. Edward H. Fowler, a well-to-do young business man of the metropolis.

The ceremony took place in the Episcopal Church, Hayes and Buchanan Sts, San Francisco, and was attended by relatives and a few intimate friends of the contracting parties. After the wedding an elaborate wedding supper was enjoyed at the home of Lieutenant and Mrs. Homer, nee Goess, at 985 Haight St. The happy couple are now enjoying their honeymoon trip in the Southern part of the State, traveling in their own touring car.

Mr. and Mrs. Fowler expect to spend New Year's at the home of the bride's parents in Sonoma. Hearty congratulations and best wishes for a blissful and prosperous wedded life are extended by their many friends.

A Basket Ball Game

Last Saturday afternoon the boys basket ball team of the Santa Rosa Business College, came down and played a lively game with the boy's team of the local high school, in Union Hall. A fair-sized audience watched the interesting game which resulted in a score of 20 to 16 in favor of the business college team. Our local players showed marked improvement in their work and considering the fact that they are just beginning to learn the game and had never practiced on the floor before, they did remarkably well against the experienced team from the county seat.

Where's Jack London

Relatives and friends of Mr. and Mrs. Jack London are anxious over the failure of the steamer Mariposa to bring mail from the author, who, with his party, in the power boat Snark, left Hilo on October 7th for Papeete, island of Tahiti.

They had not been heard from at that place when the Mariposa left on December 8th for this city.

London, upon leaving Hilo, wrote to relatives here that he expected to reach Papeete in five or six weeks. Acting on this advice a great quantity of mail matter and a supply of oil for the Snark were forwarded there.

With Mr. and Mrs. London are Captain James Larghorne Warren of Washington, D. C.; Martin Johnson of Independence, Kan., engineer; one sailor, a Chinese cook and a Chinese cabin boy.

Grim Reaper Again

The angel of death again entered the home of Mr. and Mrs. W. J. Hiser last Monday evening and took their youngest child, Elsie Francis, a sweet little girl of five years. Ralph Lee, the oldest boy, a bright dutiful son, was taken from them only last Friday and now the spirit of the youngest has taken its flight to that better land above.

The hearts of all are wrung with sympathetic grief which goes out to the stricken parents in their double bereavement

The cause of death in both cases was cerebro-spinal meningitis, the germs of which are supposed to have come from impure water. Another daughter is also suffering from the same dread disease, but at last reports was gradually improving. We sincerely hope to soon note her complete recovery.

The funeral of the late Elsie Francis Hiser took place from the H. F. Bates' undertaking parlors yesterday morning at ten o'clock, Rev. W. C. Day, of the Congregational Church, officiating. Interment in Mountain Cemetery.

Pioneer Dies

David Dunbar, one of the pioneers of '49 of Sonoma county, died in San Francisco Monday evening. In the year mentioned Mr. Dunbar came to Sonoma county and settled near Kenwood. The Dunbar school disrict was named for him and he was one of the prominent men of that section for many years. For some time past he has been residing in the metropolis.

The deceased was a brother of Mrs. Millie Underhill of this city and Mrs. Julia Emerson of Bakersfield. He was an uncle of John Underhill, Mrs. George Rogers, and Charles O. Dunbar of Santa Rosa.

The Northwestern Pacific

The Northwestern Pacific railroad is facing the problem of avoiding a double ferry service across to Tiburon and to Sausalito and relieving the traffic situation and the operating expense by making Sausalito the passenger terminal and Tiburon the freight terminal.

A few new locomotives and some new cars ordered some time ago are expected soon, and when they arrive they will be put on the Tiburon run to facilitate service.

Fined For Cruelty

Samuel Reboli was arrested by Dep. Marshal Fred Fouts, last Sunday afternoon for cruelty to animals. He was brought before City Recorder. H. W. Gottenberg, where he plead guilty and was fined $10, which was paid. This was the second offense and he will probably get the limit, $100 fine, if brought before Judge Gottenberg again.

Large Wine Shipment

V. Bulotti has just finished shipping via the Northwestern Pacific 82,000 gallons of choice red wine, L. Breitenbach did the hauling from the winery to the Sonoma depot.

The Vital Point

To consider when buying a heater is the draft. Exhaustive tests prove that the down-draft as it is developed in the celebrated
WILSON
DOWN
DRAFT
HEATER
is the only form that insures perfect combustion at a minimum of fuel expense. Furnishes twice the heat from half the amount of fuel used, because all gas generated is burned. In other heaters it escapes into the chimney.
Consider this fuel economy in buying.

FACE TO FACE.

A New Problem For Women.

In the looking-glass a woman often sees wrinkles, hollow circles under the eyes, crow's feet—all because she did not turn to the right remedy when worn down with those troubles which are distinctly feminine. Backache, lassitude, nervousness and the pains and drains of womanhood bring such untold suffering that the face is sure to show it.

Every women, young or old, is well protected from the blues, nervousness, backache, and the many symptoms of disease so prevalent among our women—if they will conscientiously take Doctor Pierce's Favorite Prescription, a safe and sure remedy for the ills of womanhood, because it contains not a particle of alcohol, digitalis or any deleterious drugs. Weak women are made strong and sick women are made well by this splendid prescription which was used by Doctor Pierce in his large private practice in the specialty of women's diseases. Every woman troubled in this way should write him about her case, care of Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he assuming them to be such, prescribes his pills and potions. In reality they are only *symptoms* caused by some womb disease. The physician ignorant of the *cause* of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause*, would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable, after all other medicines had failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented, when necessary, by the medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure.

THE SECRET OUT.

To refute the many false and malicious attacks, bogus formulæ and other untruthful statements published concerning Dr. Pierce's Family Medicines, the Doctor has decided to publish all the ingredients entering into them and place the same on the wrapper inclosing each bottle. The exact working formula for making these medicines cost Dr. Pierce and his collaborating Chemists and Pharmacists many years of study and experiments, but as perfected they produce almost perfect pharmaceutical compounds, embodying all the active, medicinal principles residing in the ingredients employed, and preserving them perfectly for any length of time and in any climate without the use of a drop of alcohol.

Pierce's Pleasant Pellets

These are the **Original Little Liver Pills**, first put up over 40 years ago, by old Dr. R. V. Pierce. They've been **much imitated** but **never equaled**. Smallest, easiest to take and best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and *concentrated* vegetable extracts. Without disturbance or trouble, constipation, indigestion, bilious attacks, sick and bilious headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. *Permanently* cured, too. By their mild and natural action, these little Pellets gently lead the system into natural ways again. Their influence *lasts*.

The Lay of the Hen

Secretary of Agriculture Wilson in his report just published, gives the American hen due prominence as a producer of wealth and a promoter of prosperity.

The poultry products of the United States for the past year amounted to $600,000,000. This is an enormous sum, and its effect upon the conutry's welfare is all the more potent, although attracting less attention, from the fact that it is so widely distributed.

Instead of feeding a trust, and providing the means to buy titles for fool daughters of New York millionaires, the country's "egg money" helps to pay the bills and lift the mortgage of the small farm. It has given many a poor family its start on the road to independence. Although the egg market has on several occasions been partially "cornered," for a very short time, the perishable nature of the goods prevents any complete or permanent monopoly. A "corner" in cold-storage eggs is not profitable in the face of the competition of the "new-laid" kind. The poultry business is one in which the small producer meets his large competitor upon more nearly equal terms than in almost any other branch of productive industry.

The Secretary's remarks upon the hen's importance have peculiar application to Sonoma county; for in no other part of the country has the hen done greater work for the general welfare. Three hundred and sixty-five days in the year her tuneful lay sounds here the anthem of prosperity; and the farmer who feeds her hears her song with gladness of heart.

For he's the chap she's laying for.—Democrat.

Sonoma Gets Medals

The last California State Fair has awarded two gold medals suitably inscribed to prominent Sonoma Co. firms.

Luther Burbank gets one for his spineless cactus and Korbel Bros of Guerneville for some fine quality champagne.

Passed Examination Successfully

James Donahue, New Britain, Conn., writes; "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Cure cures backache and all forms of kidney and bladder trouble. L. S. Simmons.

Ten million pounds of dried prunes valued at $500,000, is the estimate of the yield of Sonoma county this year.

Danger in Asking Advice

When you have a cough or cold do not ask some one what is good for it, as there is danger in taking some unknown preparation. Foley's Honey and Tar cures coughs, colds and prevents pneumonia. The genuine is in a yellow package. Refuse substitutes. L. S. Simmons.

Persons who have applied themselves to studying the habits of fowls soon become aware that attending to their general comfort—that is, looking after them proporly—is of much more consequence than merely feeding them. This is the reason why the French are so prosperous with their poultry farming; they grudge no time to see to the well-being of their stock, and in the end it fully repays them for the care they have ken of it.

There is something about Kennedy's Laxative Cough Syrup that makes it different from others, as it causes a free yet gentle action of the bowels through which the cold is forced out of the system. At the same time it heals irritation and allays inflammation of the throat and lungs. It is pleasant to take. Children like it. Contains no opiates nor narcotics. Sold by L. S. Simmons.

Sacramento has a groom of 60 and a bride of 23, while at Santa Cruz there are a bride of 78 and a groom of 32. Cupid stole a march on the fool killer.

Wise Talks by the Office Boy Repeated

The Japs whipped the Russians because they got ready first. The little brown men were all prepared for business, so when Gen. Q'Roky said, "Let her go, Banzey," they wiped the Musk Cow's eyes off the map. Our store has been quietly getting ready for the biggest winter's business in its history, and we certain'ly lead in the battle for supremacy by big odds in quality, big odds in variety, and big odds in careful fitting, and no higher in price than the commoner kinds of clothing. You are at liberty to show me where there is an overcoat or suit store that will give you an over coat or suit for $10.00 or $15.00 that will compare with our $10.00 or $15.00 coat or suit.

They can't touch our fine dress ups with the pure worsted outsides and fine insides for $20 00 or you can have my weeks salary.
